

FASTAID R2 CONSTRUCTA MAX™ METAL CABINET FIRST AID KIT

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Designed for construction sites and tradies

The FastAid R2 Constructa Max™ first aid kit is a high-quality kit designed for both low and high-risk applications, exceeding the WHS requirements for Australian workplaces in the construction and trades industries.

This first aid kit meets the WHS regulations for workplaces that have 1-25 people and contains items that are specially designed for treating injuries that can happen in the construction and building industries.

A comprehensive range of premium hospital grade contents and two additional modules for treating eye injuries and outdoor risks such as snake and spider bites are packed in the R2 Constructa Max™ first aid kit. A full colour snake and spider bite identification chart and treatment guide is also included.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.
