

GWORX220

Impact Resistant

SAND NITRILE

Features

- ▲ Polyester liner provides a reliable and comfortable user experience
- ▲ Knitted 15 gauge liner allows for exceptional dexterity for performing intricate handling duties
- ▲ Sand Nitrile coating provides excellent wet, dry and oil grip
- ▲ Touch screen friendly
- ▲ TPR impact resistance certified EN 388:2016, for added protection against bumps and knocks
- ▲ Velcro cuff for a secure fit
- ▲ Padded palm for increased protection against gripping tools
- ▲ Perfect form, fit and comfort is achieved through Force360's unique knit pattern that mimics a 'hand at rest', minimizing hand fatigue
- ▲ Only selected materials that allow air flow are used to ensure 360 degree air circulation and enhanced breathability
- ▲ UPF50+ offering maximum sun protection

Standards & Certification

EN 388:2016

4X21AP

CERTIFIED PRODUCT

Australian Standard
AS/NZS 2161.2:2020
AS/NZS 2161.3:2020
Lic. BMP 719027

Force360 recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise.

Force360 source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Force360 have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products.

All of Force360's hand protection is certified to the latest AS/NZS hand protection standards.

Specifications

Part No.	GWORX220
Liner	Polyester
Coating	Sand Nitrile
Impact	TPR

- GWORX220.2XL 2X Large
- GWORX220.3XL 3X Large

Dexterity Level

Maximum Dexterity Level 5

Certified under AS/NZS 2161.2:2020

GWORX220

Key Technologies

360° Breathability

Keeping hands cool is critical for comfort and improved wearer compliance. Only selected materials that allow air flow are used to ensure 360 degree air circulation and enhanced breathability.

Hand at Rest

Perfect form, fit and comfort is achieved through Force360's unique knit pattern that mimics a 'hand at rest', minimizing hand fatigue.

Armour

The unique TPR structure on the back of hand provides armoured protection against impacts, scrapes and knocks for the wearer.

Touch Screen Friendly

The wearer can leave their gloves on while answering phone messages, reducing the chances of a workplace hand injury.

Reach Compliance

Required Safe pH Level

Certified under AS/NZS 2161.2:2020

AZO Dye and Irritant Chemical Free

Certified under AS/NZS 2161.2:2020
