

The Stingray wide brim helmet is a modern and stylish wide brim hard hat. The waved contoured brim adds flare to a wide brim helmet.

The helmet is certified by SAI Global to AS/NZS1801 as a Type 1 Occupational Protective Helmet.

It features 10 ventilation holes together with replaceable cotton sweatbands. The easy to use pin lock harness makes the Stingray helmet comfortable and lightweight.

The wide brim provides excellent protection from the sun and rain.

The Stingray design incorporates built in elastic strap holders. This easily allows for cap lamps to be attached to the helmet by hooking the straps into place.

Secure the Stingray with a 4 anchor point chin strap. The nylon webbing harness has an adjustable length.

Available in White, Pink and Yellow.

Front

Back

Designed in Australia, the Stingray helmet carries an Australian Patent and Design protection.

The Stingray comes with clips ready to use with cap lamps.

Secure the Stingray with a 4 anchor, adjustable length chin strap.
