

# HARD HAT BRIMS

Protecting You

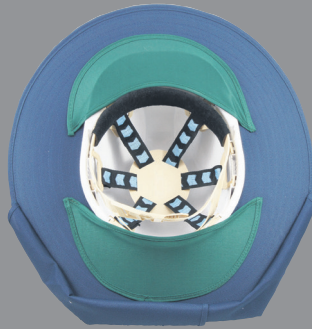

DURABLE AND STRONG WITH A TOUGH PLASTIC LINING ON ALL BRIMS

Cloth lined plastic brim

Plastic brim

Easy to assemble with front and back sleeves

The brims incorporate a dual scoop neck flap allowing air flow through.

The hard hat brims are available in a variety of colours, in either a cloth brim or plastic brim.

The Sun Brims comes with a neck flap that is designed with 2 scoops, allowing air flow through the neck and reducing the trapped warm air under the brim and helmet.

The Sun Brims are easy to affix to your hard hat, with a sleeve for the peak and a secondary sleeve for the back of the helmet.

Protect your face and neck from the sun by attaching a brim to your hard hat.

Available in White, Neon Orange, Blue and Green
